## List of publications

#### Instruction

Please list below, in chronological order, the major publications published over the past ten years.

**!** For Polish applicants only: older publications can be cited if the Principal Investigator or Co-Investigator has taken significant career breaks within the last 10 years. The career break is understood as maternity leave, adoption leave, paternity leave, parental leave granted in compliance with the Labour Code, periods of sickness benefit or rehabilitation benefit granted on account of being unfit for work, including any caused by a health condition requiring rehabilitation.

#### Please note:

<sup>\*</sup> Items should be selected from the drop-down list

\*\* Either an acceptance letter or DOI is required for papers accepted for publication but not published yet; the acceptance letter needs to be attached to the ZSUN/OSF system and to the NSFC submission system.

\*\*\* Self-citations are excluded

\*\*\* For journals' titles, list of (Co-)Editors and Volumes' titles please use the "Title" field.

Please use the actual publication language for titles (no translation to English is required).

### Information about the principles of processing personal data

National Science Centre with its registered office in Krakow at ul. Królewska 57, 30-081 Kraków ("the Centre") as the controller of your personal data hereby informs that:

- a) the Centre's designated Data Protection Officer can be contacted via electronic mail at <u>iod@ncn.gov.pl</u>, by phone at +48 12 341 9113 or directly at the registered office of the data controller;
- b) the Centre processes personal data based on Article 6(1)(c) of the Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46/EC (General Data Protection Regulation) in conjunction with Article 20 of the Act of 30 April 2010 on the National Science Centre (consolidated text Journal of Laws of 2018, item 947);
- c) personal data will be processed for the purpose of evaluation of the proposal for funding of a research project and, if funding is granted for its completion, for the purpose of supervision, financial and accounting operations, audits performed in the course of and after the completion of the project, evaluation of implementation and settlement of the funding agreement. In addition, personal data will be processed for the purpose of evaluating the Centre's own tasks,

reporting, dissemination of the information on the Centre's calls for proposals throughout the scientific community, implementation of other activities regulated by the generally applicable laws and for archiving purposes;

- d) personal data will be processed for the period necessary to achieve the purposes indicated in point
   c) and to investigate possible related claims, for the period required by generally applicable laws and
   for the period of storage as defined by the Centre's records management procedures and the
   Uniform File Classification System;
- e) provision of personal data is a statutory requirement and without their disclosure the purposes described in point c) cannot be achieved;
- f) the recipients of your personal data may only be entities authorised to collect personal data based on the generally applicable provisions of law;
- g) personal data may be transferred for processing to third party companies or individuals commissioned to provide services. Such third parties process data based on personal data transfer contracts and are also obliged to keep the data being processed confidential;
- h) the data subject has the right to access their personal data, correct their personal data and restrict the processing of their personal data;
- i) the data subject has the right to lodge a complaint with the President of the Office of Personal Data Protection if they consider that the processing of their personal data does not comply with the General Data Protection Regulation.

prof. dr hab. Janusz Janeczek

Przewodniczący Rady Narodowego Centrum Nauki
