ABSTRACT FOR THE GENERAL PUBLIC

The description for general public must be in Polish and in English. The language versions must be identical.

The descriptions must be attached as two separate PDF files (up to 10 MB).

File format: 1 page, A4.

Recommended formatting: top-bottom margins: 1.5 cm, left-right margins: 2 cm, font: Times New Roman or equivalent, font size: at least 11, interline: single.

The description should be written for general public and should include the project goal, description of research, reasons for attempting a particular research topic and substantial results expected.

Should the project qualify for funding, the abstract for the general public will be published on the National Science Centre's and Ośrodek Przetwarzania Informacji (OPI)'s websites alongside the information on the call's results.

INTERNATIONAL COOPERATION

To be filled out in English.

International cooperation means that research tasks are carried out together with investigators from foreign entities.

The following are not considered international cooperation:

a) participation in international conferences;

b) dissemination of information on the project abroad;

c) implementation of research tasks by a Polish research team abroad without the participation of investigators from foreign entities;

d) cooperation with foreign researchers employed by Polish entities.

Information on Polish-German cooperation is added for reporting purposes; a brief description of the planned cooperation is sufficient. If the participation of partners from the third countries is planned in the project, select the appropriate country/countries from the list, indicate their source of financing and briefly described the planned cooperation.
